Copy 4/ of 8

23 April 1957

Mr. C. L. Johnson
P.O. Box 5508
Metro Station
Los Angeles 55, California

Dear Kelly,

With reference to my letter of March 27, 1957 on the subject of photographic and textual documentary, I had asked that material for subject be submitted to me by Friday, April 26.

I have been asked by several of the suppliers that this date be extended and; therefore, should you need more time, I believe we can extend the date to Friday, May 17.

Very sincerely yours,
